EDUCATION

Bachelor of Technology in Computer Science & Engineering
2022 - 2025
I'm pursuing B. Tech. from AKTU. OOPS, DBMS, Web Development, Android, C++ & Programming are my favorite.

Apprenticeship on Android with Java
2021 – 2022
I learned SQLite, JDBC, ORACLE and making & calling APIs too. That were very interesting.

Diploma in Computer Science & Engineering
2019 - 2021
I've completed my diploma from BTEUP. I made a project on Arduino.

**Diploma in Office Automation & Publishing (DOAP),
Diploma in Advanced Computing (DAC)**
2016 – 2017

PROJECTS

Mini Radar System [Team Leader]
2020–2021
We made a project that recognize the objects around us and shows the graph reading on display. We awarded First Prize for this project in our collage.

E-Banking Solutions [Backend Developer]
2021–2022
We made this web application on java using JDBC and MySQL database that runs every query related to bank.

Farmers to Customers (F2S) [Solo Project]
2023–2024
I'm making a project that helps connecting farmers to their consumers directly.t has an Android Application and an admin panel on Web.
